

Desire/Thirst

<+>

a strong feeling within my heart and soul to experience God in my daily life; yearning, craving, longing, burning

Thirsty Souls

As the deer desires rivers of water, so my soul desires You, O God. My soul is thirsty for God, for the living God. When will I come and meet with God?
(Psalm 42:1-2 NLV)

Hannah's Desperation (1 Samuel 1:1-20)

Jesus' Holy Spirit invites us to desire God more than anything or anyone else. Hannah was barren, and she was miserable living at home with her husband's other wife who had several kids. One day at the temple, she cried out to God for deliverance, begging for her womb to open up. God answered and gave her a miracle. Hannah gave birth to Samuel, a future prophet of Israel, and she dedicated his life to serve the Way Maker. We clearly see Hannah's thirst for God to intervene in her desperate situation; she threw herself at the mercy and abundant compassion of our Father. We are so easily distracted from this fundamental calling in life: to seek Jesus every day with everything.
