## **See Clearly**

The lifestyle of good people is like sunlight at dawn that keeps getting brighter until broad daylight. The lifestyle of the wicked is like total darkness, and they will never know what makes them stumble.

(Proverbs 4:18-19 CEV)

## **Live & Teach What You Believe (Joshua 23)**

Jesus' Holy Spirit invites us to confirm God's revelation, believe what he said, and share with anyone who will listen. So far, in learning to hear Jesus' Holy Spirit, we have explored preparation to hear and actually hearing his voice. Now, we move into applying Jesus' Truth to our lives, relationships, and resources. Through the Spirit, we can confirm that what we have heard is Real. At the end of Joshua's life, after all his experiences, adventures, and battles, he said, "I know with all my heart and soul that every promise God made will come true." We too can have this same assurance of God's Truth and Will. We authenticate Jesus speaking to us through both his Word and Spirit.

## **Discipleship & Prayer**

- Why do we need to verify that teaching is from God?
- How do you know you have clearly heard the Spirit?
- Holy Spirit, confirm my Father's will as I rest in you.
