Transformed Lifestyle

Get rid of all immoral behavior and all the wicked things you do. Humbly accept the word that God has placed in you. This word can save you. Do what God's word says. Don't merely listen to it, or you will fool yourselves. (James 1:21-22 GWT)

Nurturing Endurance (2 Timothy 3:10-17)

Jesus' Holy Spirit invites us to apply God's revelation to our perspectives, values, desires, dreams, temptations, relationships, resources, and calendar. God clearly reveals that everything we need to walk in freedom and live a life pleasing before him is found in his revelation to us through his Word and Spirit. We see a caution to beware only listening to God speak and not embracing what he says, putting his wisdom to practice in our lives. His Word is designed to be heard, confirmed, received, celebrated, and applied. Practice ensures perseverance through all the temptations, trials and spiritual battles facing everyone who follows Jesus. We endure by his Word through his Holy Spirit.
