

Barnabas Post

The name Barnabas carries many meanings: friendship, comfort, encouragement, healing, prophecy, and blessing.

A Barnabas is a trustworthy, loyal companion. At Blazing Trees, we aim to encourage leaders all over the world. Anyone involved with Jesus' Great Commission will experience wave after wave of spiritual warfare, which can overwhelm anyone no matter how strong or courageous they are.

Our Barnabas Post project provides training for anyone feeling called to be an intercessor and encourager in the body of Christ. We teach disciples how to encourage disciplemakers online through voice message technology in mobile phone apps.

We adopt missionaries and send them audio prayer messages to listen and enjoy, so they don't feel like they have to face spiritual attacks by themselves.

Sign up to be a Barnabas today!
