

Welcome

Welcome to a daily companionship with Jesus' Spirit.

The aim of Seraphim River is to fill your travel bag with prayer treasures that will help you experience all of who God is, how he moves, what he wants, and how we can discern what he's up to and join his mission.

Our Heavenly Father is constantly pouring out his love and grace over the nations, but we are so often blind and deaf to his blessings and movements.

The win for Seraphim River is assisting you in 1) practicing the Holy Spirit's presence continually, and 2) clearly hearing the Holy Spirit speaking to your mind, heart, and soul.

Let's explore Seraphim River together.

Vision

An explanation of the name Seraphim River: the vision I saw, how the vision relates to a lifestyle of prayer, and what happens when more people pray more often.

Story Set

Twelve Bible stories about worship and prayer. Pray through these stories, draw the illustrations, create your own art for each story, dive deeper into each story through Storytellers Sight, and pray for discernment to understand what these stories reveal for you personally as well as who needs to hear these stories about Jesus and the Kingdom of Heaven.

Holy Spirit

So many of Jesus' disciples have heard of the Holy Spirit but never met him. Walking with the Holy Spirit appears to be so simple, and it can be; yet, many experienced and faithful disciples struggle to hear clearly from the Holy Spirit and become frustrated.

Enjoy these twenty-four lessons walking through various ways to connect with, experience, and clearly hear Jesus' Holy Spirit as he speaks to and guides us.

Watches & Streams

“Lord, teach us how to pray.”

We are always disciples, never masters. Prayer is a lifetime apprenticeship where we learn more and more without ever graduating. Graduation comes at the end when we see Jesus face to face.

Follow with me through a 24-hour cycle of eight prayer watches. Discover various ways to pray and what to pray for, with creative ideas for getting practical with prayer, discipleship, and Jesus' Great Commission.

Prayer Guides

The greatest resource we have for prayer besides the Holy Spirit's presence and voice is the Bible.

What we all share in common is a relationship with Jesus Christ and an invitation to pray. But we all journey through changing tides and development phases where we encounter so many different experiences: challenges and celebrations, failures and victories, decay and growth, struggles and blessings.

I'm so grateful Jesus is the same yesterday, today, and forever. I'm so encouraged that our Heavenly Father guides us faithfully through every season perfectly with his Word, Spirit, and trustworthy companions.

As you pray, scroll through these Scripture lists and pray God's Word. Rejoice and lament, repent and delight, sing and grieve, ask and confess. Pray with faith, listening to whatever Jesus' Spirit says to you.

May our Abba Father abundantly bless you and your family as you worship and pray.

Much love & grace.
