

## **Generous Deliverer Story**

1 Samuel 2:1-10

Rejoicing Mother - woman, flag, mountain, cloud, crown - Let me tell you a story about Hannah's prayer. She praised God for rescuing her from despair.

Generous King - kneeling man, king, throne, crown - Hannah celebrated God's justice: he humbles prideful leaders and rescues all who are suffering and helpless.

Eternal Lord - grave, cloud, rejoicing princess, branch - Hannah praised God for his absolute authority over all creation, life, and death. He is worthy to rule the world.

Righteous Defender - cloud, king, arrow, sword - God fights for those who love and worship him. God defends the weak and protects his faithful disciples.
