

## **Trustworthy Heirs**

Galatians 4:1-7

Slave's Rights - slave, chain, girl - Paul explains the difference between a slave and an adult heir. Before Christ, we were like slaves and little kids with no rights.

Unseen Dominion - serpent, sword, cloud - Apart from God, we are spiritual captives to evil forces in unseen realms. These dark powers made us blind to the Truth.

Freedom Miracle - mother, baby, flame, cross - Yahweh always planned to liberate us from Satan. Jesus came to our rescue. He became human to redeem our lives.

Kingdom Royalty - man, woman, cloud, crown - God adopted us out of slavery and anointed us as coheirs with Jesus. We are God's sons and daughters, sharing in Christ's authority. We walk with God as companions.
