

## **Paradise Lost**

Genesis 3

Truth Garden - fruit tree & flaming sword - Let me tell you a story about how evil entered our world. Adam and Eve lived in Eden Garden and walked with God.

Clever Deceiver - snake & people - Satan, Hellfire's Dragon, visited Adam and Eve. He lied to them, saying they could become gods by knowing good and evil.

Absolute Failure - eaten fruit - God withheld only one thing from people: the Good & Evil Knowledge Tree. Adam and Eve believed the devil and rejected God.

Blood Sacrifice - altar, animal, knife - As punishment, God cast them out of Eden. God made work hard and child-bearing painful. God made clothes for Adam and Eve out of animal skins. He promised future salvation.
