

Noah's Generation

Genesis 6:1-8

Many Wives - man & pregnant wives - In Noah's generation, humanity exploded with growth. Each man married many wives and produced dozens of children.

Breeding Giants - serpent & pregnant woman - God saw that the longer people lived, the more evil they became. He limited man's life to 120 years. During this time, demons bred giants through human women.

Heartbroken God - king, earth, stars - God witnessed all humanity become exceedingly wicked. He grieved over his creation and decided to cleanse the planet.

Hope's Flame - praying man, flame, heart, crown - One faithful man remained: Noah. He loved God and walked in the Holy Spirit. God would preserve his life.
