

## **Cursed Dragon**

Ezekiel 28:1-19

Anointed Cherubim - angel & banner - God created a leader among angels. He was perfect in beauty, pure of heart. He was given wisdom, honor, and influence.

Pride's Origin - dragon, crown, sword - The angel became prideful because of his wealth, power, and great skill in trade. He became wicked and violent.

Outcast Rebel - mountain, cloud, crown, dragon - Satan considered himself a god, so God cast him out of heaven. Kings and nations witnessed his downfall.

Tragic Aftermath - water, flame, chains - The nations were appalled at his transformation from angel to dragon. He is cursed forever, living in a deep, fiery pit.
